

## Ceramco<sup>®</sup>3 Improved Margin & Final Margin Porcelains

Ceramco<sup>®</sup>3, the brand you have come to know and trust for easy-to-process, highly esthetic porcelain, is now introducing an enhanced Margin material along with a new Final Margin porcelain.

Ceramco<sup>®</sup>3 Improved Margin & Final Margin Porcelains will optimize your crown fabrication process by:

- *Minimizing shrinkage and rounding,*
- *Virtually eliminating gray margins,*
- *Reducing the amount of lift,*
- *Increasing handling time,*
- *and improved esthetics with the introduction of a Final Margin.*
