NeyTech Mini ULTRAsonik Cleaner

Product #9990027 - 120V

A solid-state ultrasonic cleaner offering strong cleaning action and exceptionally quiet operation.

The low maintenance

stainless steel tank is encased in heavy-duty molded plastic. In contrast to vibrator-type cleaners, the NeyTech Mini ULTRAsonik cleaner provides high cleaning action. This small compact unit is suitable for a wide variety of uses. The Mini ULTRAsonik cleaner has a 90-day warranty. Color: Light Gray

NeyClean Ultrasonic Cleaning Powders

Save time and increase cleaning efficiency with our Ultrasonic Cleaning Powders. These products are environmentally safe and easy to use. Available in three economical formulations including:

- NeyClean GP[®], a general purpose heavy duty cleaner and degreaser to safely clean a broad range of materials. Product #9995353
- NeyClean EZ[®], an enzymatic cleaner and presoak that removes the toughest protein stains on porcelain, metals, rubber, plastics and glass. Product #9995355
- NeyClean SP[®], a specialty formulation that will attack the chemical bond to stone, plaster and investments. Product #9995354
